SECOND SCHEDULE

POLICY RESOLUTIONS RELATING TO THE BUDGET POLICY STATEMENT FOR THE FY 2024/25 AND THE MEDIUM TERM

General Recommendations

- 1) **THAT**, given the need to link the Bottom-up Economic Transformation Agenda to the Vision 2030, the Cabinet Secretary for National Treasury and Economic Planning submits the Fourth Medium Term Plan of the Vision 2030 to the National Assembly before submission of the Budget Estimates for FY 2024/25.
- 2) **THAT**, given the huge variance between planned and actual cost of government policies, the Cabinet Secretary for National Treasury and Economic Planning prepares guidelines for proper costing of government policies, programmes and projects to minimize discrepancies between the planned and actual resource requirements before preparation of the 2025 BPS.
- 3) **THAT**, in view of delayed compensation for land acquired from individuals by the government for various projects, the Cabinet Secretary for National Treasury and Economic Planning prioritizes payments for land compensation in the FY 2024/25 estimates before they are submitted to the National Assembly. Going forward, no government project should commence before the owners of such land are compensated.
- 4) **THAT**, cognizant of the role that affordable housing can play in stimulating demand for local production, the Cabinet Secretary for Housing, Urban Planning and Public Works provides to the National Assembly the guidelines on use of locally made materials in development of affordable houses to spur the economy and create the intended job opportunities before submission of the Budget Estimates for FY 2024/25.
- 5) **THAT**, cognizant of the need to improve the ease of doing business, the Cabinet Secretary for Industry, Trade and Investments develops a framework for establishment of one stop shop for all required certifications targeting manufacturers and exporters in the lines of the *Huduma* Centre model by 30th June 2024.
- 6) **THAT**, in view of the challenges that smallholder farmers encounter in accessing subsidized farm inputs due to the distance from collection centres, the Cabinet Secretary for Agriculture and Livestock develops a framework for last mile delivery of subsidized fertilizer, seeds and seedlings to farmers across the country in partnership with the county governments before finalization of the Budget Estimates for FY 2024/25.
- 7) **THAT**, given the funding challenges facing the Department of Immigration and Citizen Services on issuance of documents such as Passports, Identity Cards, Birth and Death certificates, before finalization of the Annual Estimates for FY 2024/25,

the Cabinet Secretary for National Treasury and Economic Planning enhances the Appropriation-in-Aid for the Department by increasing the current allocation to 20 percent of all the revenues it generates to the Exchequer through issuance of documents (an equivalent of Kshs. 3.980 billion in the FY 2024/25 Revenue estimates).

- 8) **THAT**, to improve the gender responsiveness of government policies, before finalization of the 2025 Budget Policy Statement, the Cabinet Secretary for National Treasury and Economic Planning incorporates a section on the gender responsiveness of the various policy proposals in line with international best practices.
- 9) **THAT**, cognizant of the duplication of functions between the National and County levels of government and the need to identify, cost and transfer such functions, the Intergovernmental Relations Technical Committee (IGRTC) gazettes these functions and submits a report to the National Assembly on the same by 30th April 2024.
- 10) **THAT**, given that the East Africa Customs Management Act, 2004 allows the Council of Ministers to review the regional customs tariffs, and that these changes have not been subjected to public participation, the Cabinet Secretary for National Treasury and Economic Planning ensures that any such reviews are subjected to public participation and submitted to the National Assembly before they are formally ratified.
- 11) **THAT**, given the delays in approval of the County Government Additional Allocations Bill and subsequent interruption in implementation of those programmes, the Cabinet Secretary for National Treasury and Economic Planning ensures that there are no requests for mid-year revisions in compliance with the provisions of section 191(1) of the Public Finance Management Act, 2012.

National Security Sector

15) **THAT**, in the 2025 BPS, the Ministry of Defence considers the leasing of equipment and systems it uses since rapid changes in technology make leasing more affordable than purchasing. That way, the Ministry will avoid the risk of sinking huge budgets into equipment and systems that become obsolete before the end of their useful period.

- 27) **THAT**, by 30th June 2024, the Principal Secretary for Irrigation develops a framework to provide technical support to the County Irrigation Development Units and the Irrigation Water User Associations. 2) LEGISLATIVE PROPOSAL TO AMEND THE CONSTITUTION*(The Hon. Alice Ng'ang'a, M.P.)***THE CONSTITUTION OF KENYA (AMENDMENT) BILL, 2023****A Bill for****AN ACT of Parliament to amend the Constitution of Kenya****ENACTED** by the Parliament of Kenya, as follows—

Short title.

1. This Act may be cited as the Constitution of Kenya (Amendment) Act, 2023.

Amendment of Article 89 of the Constitution.

2. Article 89 of the Constitution is amended by inserting the following new clause immediately after clause (2)—

(2A) The Commission shall ensure that a review of constituencies undertaken in terms of this Constitution shall not result in the loss of a constituency existing on the effective date.

MEMORANDUM OF OBJECTS AND REASONS**Statement of objects and reasons for the Bill**

The principal object of this Bill is to amend Article 89 of the Constitution to protect 27 Constituencies that were protected for the First review in spite of not meeting the population quota requirement and which constituencies risk being merged with others when the Independent Electoral and Boundaries Commission conducts the second review that is due.

The said constituencies are Voi; Wundanyi; Mwatate; Galole; Bura; Isiolo South; Samburu East; Laisamis; North Horr; Saku; Kilome; Mukurweini; Mbeere North; Mathioya; Ndaragwa; Budalang'i; Vihiga; Othaya; Mathioya; Kangema; Marakwet East; Keiyo North; Tetu; Mogotio; Lamu East; Lamu West; and Mvita.

The Constitution only safeguarded the 27 Constituencies from the initial review, which took place in March 2012. With the second review due in 2024, 12 years after the first, it is crucial to ensure that the constituencies are not merged with others. The Constitution stipulates that the Independent Electoral and Boundaries Commission (IEBC) should conduct a review after 8 years but not more than 12 years. This amendment ensures that these constituencies are protected for a minimum of 8 and a maximum of 12 years, allowing them to gradually grow their population to meet the threshold. These constituencies hold significant cultural and developmental value for their inhabitants. Residents have grown attached to them, viewing them as the focal point for the allocation of developmental resources. Through public participation, they have a say in how resources are utilized for various purposes, such as education, infrastructure, and security.

Merging these constituencies would result in an irredeemable feeling of loss of identity and control on the part of their inhabitants over their local development much as they will not be literally moved from their homes.

The Constitution does not grant the IEBC the authority to interfere with county boundaries. Equally IEBC has no powers to increase or reduce the number of Constituencies. Therefore, if a constituency is merged within one county, the IEBC would have to adjust the boundaries of other constituencies in a different County to maintain the total of 290 constituencies. This could lead to discord and grievances among counties, as they may perceive others as benefiting at their expense. With 47 counties in Kenya, each with its own devolved functions and resources, the sentimental attachment to county identity is strong. Folding an existing constituency in one county to create a new one elsewhere may be seen as an act of “robbing” a county of its representation and resources. This could potentially lead to unnecessary disharmony and conflicts among counties.

Clause 1 of the Bill is the short title.

Clause 2 of the Bill seeks to amend Article 89 of the Constitution to insert a new clause (2) requiring the IEBC to ensure that their review of constituency boundaries does not result in the loss of a constituency that existed when the Constitution was promulgated.

Statement on the delegation of legislative powers and limitation of fundamental rights and freedoms

This Bill does not delegate legislative power or limit any fundamental rights or freedoms.

Statement as to whether the Bill is a money Bill within the meaning of Article 114 of the Constitution

The enactment of this Bill shall occasion additional expenditure of public funds.

Article 89 of the Constitution that is proposed to be amended—

Delimitation of electoral units

89. (1) There shall be two hundred and ninety constituencies for the purposes of the election of the members of the National Assembly provided for in Article 97 (1) (a).

(2) The Independent Electoral and Boundaries Commission shall review the names and boundaries of constituencies at intervals of not less than eight years, and not more than twelve years, but any review shall be completed at least twelve months before a general election of members of Parliament.

(3) The Commission shall review the number, names and boundaries of wards periodically.

(4) If a general election is to be held within twelve months after the completion of a review by the Commission, the new boundaries shall not take effect for purposes of that election.

(5) The boundaries of each constituency shall be such that the number of inhabitants in the constituency is, as nearly as possible, equal to the population quota, but the number of inhabitants of a constituency may be greater or lesser than the population quota in the manner specified in clause (6) to take account of—

- (a) geographical features and urban centres;
- (b) community of interest, historical, economic and cultural ties; and
- (c) means of communication.

(6) The number of inhabitants of a constituency or ward may be greater or lesser than the population quota by a margin of not more than—

- (a) forty per cent for cities and sparsely populated areas; and
- (b) thirty per cent for the other areas.

(7) In reviewing constituency and ward boundaries the Commission shall—

- (a) consult all interested parties; and
- (b) progressively work towards ensuring that the number of inhabitants in each constituency and ward is, as nearly as possible, equal to the population quota.

(8) If necessary, the Commission shall alter the names and boundaries of constituencies, and the number, names and boundaries of wards.

(9) Subject to clauses (1), (2), (3) and (4), the names and details of the boundaries of constituencies and wards determined by the Commission shall be published in the *Gazette*, and shall come into effect on the dissolution of Parliament first following their publication.

(10) A person may apply to the High Court for review of a decision of the Commission made under this Article.

(11) An application for the review of a decision made under this Article shall be filed within thirty days of the publication of the decision in the *Gazette* and shall be heard and determined within three months of the date on which it is filed.

(12) For the purposes of this Article, "population quota" means the number obtained by dividing the number of inhabitants of Kenya by the number of constituencies or wards, as applicable, into which Kenya is divided under this Article.
