

REPUBLIC OF KENYA

THIRTEENTH PARLIAMENT – (THIRD SESSION)

THE NATIONAL ASSEMBLY

ORDERS OF THE DAY

WEDNESDAY, MARCH 06, 2024 AT 9.30 A.M.

ORDER OF BUSINESS

PRAYERS

1. Administration of Oath
2. Communication from the Chair
3. Messages
4. Petitions
5. Papers
6. Notices of Motion
7. Questions and Statements

**8*. THE PUBLIC SERVICE COMMISSION (AMENDMENT) BILL
(NATIONAL ASSEMBLY BILL NO. 6 OF 2023)**

(The Hon. Benjamin Gathiru, M.P.)

Second Reading

(Question to be put)

**9*. THE COTTON INDUSTRY DEVELOPMENT BILL (SENATE BILL NO.
5 OF 2023)**

(The Hon. Mary Emaase, M.P. – Co-Sponsor)

Second Reading

(Resumption of debate interrupted on Wednesday, February 28, 2024 – Morning Sitting)

(Balance of time – 1 hour 25 minutes)

**10*. MOTION: 027/2023 – DEVELOPMENT OF A SATELLITE-BASED
CLIMATE CHANGE MONITORING POLICY**

(The Hon. Abdul Haro, M.P.)

THAT, aware that the Constitution recognizes the people’s respect for the environment as the country’s heritage and the commitment to sustaining the environment for future generations; further aware that the cyclic drought in the country has caused devastating effects and serious disruption to the economy; recognizing that climate change is a global problem with developing countries being the most affected as these regions are dependent on climate-sensitive sectors such as agriculture and forestry; further recognizing that the severe effects of climate change are already being experienced in the form of frequent droughts, flooding and other

...../10*(Cont’d)

extreme weather occurrences; concerned that the current climate change monitoring mechanisms in the country are based on traditional methods which rely on ground observations and climate models which have limitations in terms of accuracy, timeliness and spatial coverage; noting that the country recently launched its first operational satellite to collect and transmit high- quality data; further noting that this technology can help in accurately monitoring and forecasting climatic and weather patterns; cognizant of the fact that other jurisdictions have made use of this technology to monitor climate change with marked positive impacts; appreciating that the use of technology especially satellite technology would allow enhanced monitoring that can have significant impact on sustainable environmental management; further appreciating that this technology would be useful in monitoring difficult-to-reach, expansive and unsafe areas; now therefore, this House **resolves** that the Ministry of Environment, Climate Change & Forestry develops a policy on IT that deploys the use of satellites in the monitoring and forecasting of climatic conditions with the objective of ensuring timely and accurate data collection to enhance the country's capacity to respond to weather-related risks and vulnerabilities including climate change.

11*. MOTION: 028/2023 – ESTABLISHMENT OF A SCIENCE MUSEUM
(The Hon. John Kiarie, M.P.)

THAT, aware that, Article 11(2)(b) of the Constitution provides that the government shall recognize the role of science and indigenous technologies in the development of the nation; further aware that the Vision 2030 provides for the integration of information, communication and technology in the country's transformative agenda; concerned that, there exists no science museum for consolidating indigenous scientific and technological innovations, training and research purposes in the East Africa Region; appreciating that, integration of science and technology would greatly enhance Kenya's economic and societal success; noting that there is potential for growth in the technology sector by establishing a science museum; further noting that, the informal science education plays a key role in the progression of Science, Technology, Engineering and Mathematics (STEM); acknowledging that science museums operate as the nexus between science practitioners, policy-makers and the public; cognizant of the fact that, a science museum in the country would greatly impact on the economy of the country in the quest to become an industrialized nation; now therefore, this House **resolves** that, the national Government through the relevant Ministries establishes and operationalizes a science museum in the country.

12*. MOTION: 033/2023 – SUPPORTING AND PROMOTING LOCAL FERTILIZER MANUFACTURING INDUSTRIES
(The Hon. Samuel Atandi, M.P.)

THAT, aware that, the Fertilizer and Animal Foodstuff Act, 2015 provides for the regulation of fertilizer importation in the country; further aware that, the Fertilizer and Animal Foodstuffs Board regulates the fertilizer and animal foodstuffs

industry including the manufacture and production of fertilizers; noting that, the country currently relies heavily on imported fertilizer due to inadequate local production capacity; further noting that, the low local production leads to high costs for farmers, reducing their profits and results in an unhealthy reliance on imported fertilizer; concerned that, this scenario threatens the country's food security in case of supply disruptions and discourages local production; recognizing that local fertilizer production could lead to improved fertilizer quality, increased crop yields and a reduction in environmental harm caused by the use of substandard fertilizers; recalling that the country has the potential to produce fertilizer that could meet the country's domestic demand and also supply the regional market; further recognizing that there is need for the government to work with local producers to develop high quality fertilizer tailored to the needs of Kenyan farmers and crops; now therefore this House **resolves** that the National Government through the Ministry of Agriculture and Livestock Development, supports and promotes local fertilizer manufacturing industries by investing in research and development to bolster the domestic fertilizer manufacturing sector.

13*. MOTION: 041/2023 – ESTABLISHMENT OF A PRIORITY BOARDING PROTOCOL FOR KENYA DEFENCE FORCES AND KENYA SPECIAL FORCES PERSONNEL ON LOCAL AIRLINES
(The Hon. (Capt.) Ruweida Obo, M.P.)

THAT, aware that, Article 239 provides for the National Security Organs, including the Kenya Defence Forces; further aware that, the Kenya Defence and Kenya Special Forces play an indispensable role in promoting and safeguarding national security in accordance with the Constitution; recognizing that, members of the Forces face life-threatening risks as they carry out their duties to protect our citizens, particularly in high-risk and volatile areas; noting that there is currently no token of appreciation for the remarkable dedication, service and sacrifices made by the Kenya Defence and Special Forces; acknowledging that it is important to accord special privileges and honours to our military and veteran personnel, akin to the practice observed in other countries including being allowed to access services like banking hall and boarding of flights ahead of the general public; further acknowledging that this practice would not only instill a sense of pride among the Kenya Defence and Kenya Special Forces personnel, but also enhance their morale and motivation, thereby boosting their performance and commitment to our national security; cognizant of the fact that there exists no national policy or framework to facilitate the implementation of such a practice; now therefore, this House **urges** that the National Government, through the Ministry of Roads and Transport, encourages local airlines to establish a priority boarding protocol for the Kenya Defence and Kenya Special Forces personnel which grants them the privilege to board local aircrafts before the general public.

14*. MOTION: 045/2023 – REVIEW OF THE ELIGIBILITY AGE FOR ENROLMENT OF OLDER MEMBERS OF SOCIETY TO THE INUA JAMII CASH TRANSFER PROGRAMME

(The Hon. Majimbo Kalasinga, M.P.)

THAT, aware that Article 57 of the Constitution provides that the State shall take measures to secure the rights of older persons to live in dignity and to receive reasonable care and assistance from the State; noting that to actualize the provisions of Article 57 of the Constitution, the Government rolled out the *Inua Jamii* Cash Transfer Programme in 2015 to provide regular and predictable cash transfers to older persons aged seventy (70) years and above and who are not in receipt of a civil service pension; appreciating the success that the programme has recorded in alleviating poverty and suffering among older members of the society since its inception; noting that the government intends to progressively net more vulnerable and under-privileged members of the society with a view to reaching 2.5 million beneficiaries in the next three (3) years; concerned that, with respect to eligibility to the programme for older members of society, the guidelines requires them to have attained the age of seventy years; noting that, Article 260 of the Constitution defines an “older member of society” as one who has attained the age of sixty (60) years; concerned that capping the eligibility for enrolment to the *Inua Jamiii Programme* at the age of seventy years is discriminatory to the older members of society and negates the spirit of the Constitution entitling support to older members of the society; **now** therefore, this House **urges** the national Government, through the Ministry of Labour and Social Protection, to revise the age requirement for eligibility of elderly members to be enrolled to the *Inua Jamiii Programme* from seventy (70) years to sixty (60) years in line with the Constitution.
