32. **MOTION - ESTABLISHMENT OF NATIONAL TEACHING AND REFERRAL HOSPITALS IN KENYA**

(Sen. Johnes Mwaruma, MP)

**AWARE THAT** Article 43 (1) (a) of the Constitution of Kenya provides that every person has the right to the highest attainable standard of health, including reproductive health care;

**NOTING THAT** in Kenya, we have five National Teaching and Referral hospitals with Kenyatta University Research and Teaching Hospital in Kiambu County and Moi Teaching and Referral Hospital in Eldoret, Uasin Gishu County being the only ones outside Nairobi County;

**CONCERNED THAT** the bed capacity, medical equipment and human capital in these National Teaching and Referral hospitals are not sufficient to absorb all the patients seeking specialized treatment;

**FURTHER CONCERNED THAT** many Kenyans with critical health conditions travel long distances in order to access specialized services in

...../Motion

Moi Teaching and Referral Hospital in Eldoret or Nairobi where the other four National Teaching and Referral hospitals are located, leading to high cost of travel, augmented disease and in some cases deaths along the way;

**NOW THEREFORE** the Senate urges-

1. The Ministry of Health to:
  - i. Establish National Teaching and Referral hospitals in the Coast, Eastern, North Eastern, Nyanza and Western regions; and
  - ii. Fully equip the National Teaching and Referral Hospitals with modern medical equipment, medical supplies and personnel; and
2. The County Governments to allocate more funds to their respective health dockets to adequately facilitate their County Level 5 and Level 6 hospitals in order to enhance provision of critical health services to reduce the demand for such services from the National Teaching and Referral Hospitals.

33. **MOTION - COUNTY GOVERNMENTS TO SET ASIDE LAND FOR THE PLANTING OF INDIGENOUS TREES**

(Sen. Richard Onyonka, MP)

**THAT, AWARE** of the crucial role played by indigenous trees in purification of air and combating of climate change, protection against floods and water pollution, in the field of medicine, nutrition and timber production, among other roles;

**APPRECIATING** that the National Government, through the National Landscape and Ecosystem Restoration Programme, plans to increase the national forest cover to 30% by planting fifteen (15) billion trees and, in furtherance of the Programme, gazetted 13<sup>th</sup> November, 2023 as a Public Holiday to allow Kenyans to plant trees;

**CONCERNED** that the Government is yet to establish elaborate measures for the growing and protecting of indigenous trees and to involve such crucial players as the County Governments, hence impeding the sustainability of the programme;

**NOW, THEREFORE,** the Senate urges the 47 county Governments to set aside land and resources to be used in the planting and protection of indigenous trees, in support of the initiatives by the National Government.

...../Motion

34. **MOTION - ALLOCATION OF SCHOLARSHIPS AND BURSARIES BY COUNTY GOVERNMENTS**

(Sen. (Prof.) Margaret Kamar, MP)

**THAT AWARE THAT**, the Fourth Schedule to the Constitution distributes functions and powers between the National and County Governments with paragraph 16 of part 1 of the Fourth Schedule providing that the National Government shall be responsible for university and tertiary education institutions, other institutions of research and higher learning and primary schools, secondary schools and special education institutions;

**FURTHER AWARE THAT**, paragraph 9 of part 2 of the Fourth Schedule to the Constitution confers to County Governments the responsibility to provide pre-primary education and other facilities such as village polytechnics, homecraft centres and childcare facilities;

**CONCERNED THAT** notwithstanding the provisions of the aforementioned Schedule of the Constitution, the quality of pre-primary education remains low as a result of poor infrastructure with majority of the counties paying teachers in such facilities below the gazetted minimum wage;

**FURTHER CONCERNED THAT**, the Report by the Office of the Controller of Budget on County Governments Budget Implementation Review for the first six months of Financial Year (FY) 2023/24 indicate that allocation to the Education Sector in all the forty-seven (47) counties range between 0.7% to 10.3% of their total budgets, and that a majority of the county governments spend a great percentage of the education sector budgets on provision of scholarships and bursaries to students in secondary and tertiary institutions, with some counties allocating up to 84% of their education budgets for such scholarships at the expense of the core mandate of providing quality preprimary education and improving infrastructure in the village polytechnics and homecraft centres;

**NOW THEREFORE, THE SENATE RESOLVES THAT -**

- 1) the County Governments stop funding National Government functions such as providing scholarships to students in secondary and tertiary institutions, and increase funding to pre-primary education, village polytechnics and homecraft centres for improvement of infrastructure and payment of better wages to teachers in such facilities;
- 2) the Controller of Budget ensures compliance and not approve monies to County Governments for carrying out functions of the National Government; and
- 3) the Auditor General reports on compliance status on funding of National Government functions by the County Governments in the annual reports.

35. **MOTION - DEPLOYMENT OF SAFETY OFFICERS IN SCHOOLS FOR ENHANCED SECURITY AND PREPAREDNESS**

(Sen. Karen Nyamu, MP)

**AWARE THAT** schools play a crucial role in shaping the future of our children and providing a safe environment for learning;

**CONSCIOUS THAT** personal growth is vital, and that safety within schools is a fundamental right of every student, teacher, and other workers and that safety is critical in improving the overall quality of education;

**FURTHER AWARE THAT** many schools, particularly in rural and marginalized areas, lack the necessary resources and expertise to manage safety risks effectively, which exposes students and staff to potential harm;

**NOTING THAT** deploying dedicated safety officers in schools will significantly reduce risks, enhance preparedness, and provide immediate response capabilities during emergencies, and that these trained safety officers will oversee safety protocols, provide first aid, conduct safety drills, ensure fire preparedness, manage emergency evacuations, and assist in addressing violence or other threats within school environments;

**CONCERNED THAT** there have been increasing incidences of insecurity, violence, accidents, and other safety challenges in both primary and secondary schools across the country;

**NOW THEREFORE,** the Senate urges that the National Government, through the Ministry of Education to:

- 1) recruit and deploy dedicated safety officers in both primary and secondary schools nationwide;
- 2) implement comprehensive training in safety protocols, first aid, emergency response, and violence management; and
- 3) provide necessary resources and support to schools, particularly in rural and marginalized areas, to effectively deploy and utilize these safety officers.
